

WORLDWIDE INTERACTIVE SERVICES

Worldwide Interactive Services, LLC is a privately held company based in Orlando, Florida. Launched in the mid 90s, Worldwide provides Telephone Banking solutions that connect people and information. As a leading provider of technology solutions to

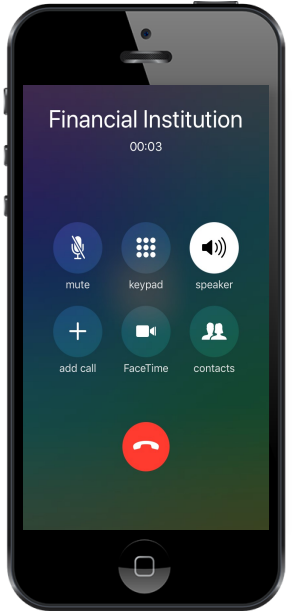

hundreds of financial institutions nationwide, Worldwide continues to act as a premier business partner by delivering secure, robust, and cost-effective Telephone Banking solutions.

Our combination of advanced technology, low cost of ownership and passionate customer service creates an environment that helps clients remain competitive, improve service delivery, drive office efficiency, and increase profit margins.

Telephone Banking Just Got Better.

vTELLER TELEPHONE BANKING

vTeller can significantly free up your staff resources by assisting customers with basic requests, such as balance inquiries and funds transfers. Since vTeller is an easy-to-administer, fully-hosted solution, it eliminates costly on-premises equipments, annual maintenance fees and local/toll free phone charges. vTeller offers a way to empower customers to bank on their own terms, while providing a cost-effective tool to efficiently manage your institution.
